Sir,

I have the honour to state that the Trailer Pump purchased from Messrs. Simpson & Co., had to be fitted up with 2 springs on either side to improve the suspension and to enable the springs to withstand the weight of the pump and the engine. The work was entrusted to the Government Central Industrial Workshop and the same has been executed satisfactorily. A bill for Rs.195-0-0 has been sent to this office for payment. I request that sanction may kindly be accorded to pay this amount debiting the cost to Contingencies.
